# An extensive guide to aid those in need

## Wherever you are We're there for you

National Bereavement Resource Guide  
Sponsored by New York Life and The Moyer Foundation.

Wherever children and their families are grieving, and wherever they are in the grieving process, we are here to help.

New York Life is proud to partner with The Moyer Foundation to provide the enclosed compilation of state and local resources—camps and grief organizations **organized by state**, plus books and websites for children and their families experiencing loss.

**The New York Life Foundation** ([www.newyorklifefoundation.org](http://www.newyorklifefoundation.org)) has long been focused on serving children in need. In 2008, the Foundation expanded that focus to include an initiative to help children deal with the loss of a parent, caregiver or sibling and to help parents deal with the emotional turmoil that results from the death of a close family member. We believe this comprehensive guide will provide the necessary resources and directory of services to help support grieving families in communities across the country. In addition, we've developed a bereavement website that can help—  
[www.AChildinGrief.com](http://www.AChildinGrief.com).

**The Moyer Foundation** ([www.moyerfoundation.org](http://www.moyerfoundation.org)) is a public, 501(c)(3) non-profit organization with a mission to provide comfort, hope and healing to children and families

affected by grief and addiction. Founded in 2000 by MLB pitcher Jamie Moyer and his wife Karen, The Moyer Foundation supports thousands of children and families each year through its programs and services offered free of charge. Camp Erin® is the largest national bereavement program for children and teens grieving the death of someone significant in their lives. Camp Mariposa® is an addiction prevention and mentoring program for youth impacted by the substance abuse of a family member. The Moyer Foundation Resource Center extends the Foundation's continuum of care by providing robust online resources and personalized support for families experiencing grief or addiction.
