Experiencing Grief and Family Addiction

An extensive guide to aid those in need

Wherever you are We're there for you

National Bereavement Resource Guide
Sponsored by New York Life and The Moyer
Foundation.

Wherever children and their families are grieving,
and wherever they are in the grieving process, we
are here to help.

New York Life is proud to partner with The
Moyer Foundation to provide the enclosed
compilation of state and local resources—camps
and grief organizations **organized by state**, plus
books and websites for children and their families
experiencing loss.

The New York Life Foundation

(www.newyorklifefoundation.org) has long been
focused on serving children in need. In 2008, the
Foundation expanded that focus to include an
initiative to help children deal with the loss of a
parent, caregiver or sibling and to help parents
deal with the emotional turmoil that results from
the death of a close family member. We believe
this comprehensive guide will provide the
necessary resources and directory of services to
help support grieving families in communities
across the country. In addition, we've developed
a bereavement website that can help—
www.AChildinGrief.com.

The Moyer Foundation

(www.moyerfoundation.org) is a public, 501(c)(3)
non-profit organization with a mission to provide
comfort, hope and healing to children affected by
loss and family addiction. Founded in 2000 by
World Series champion pitcher Jamie Moyer and

his wife Karen, The Foundation created and
supports two signature programs. Camp Erin® is
the nation's largest network of free bereavement
camps for grieving children and teens ages 6 - 17.
Camp Mariposa® is a free, first-of-its-kind
program for children ages 9-12 impacted by a
family member's addiction. For more information
on The Moyer Foundation and its programs,
