An extensive guide to aid those in need

Wherever you are We're there for you

National Bereavement Resource Guide
Sponsored by New York Life and The Moyer Foundation.

Wherever children and their families are grieving, and wherever they are in the grieving process, we are here to help.

New York Life is proud to partner with The Moyer Foundation to provide the enclosed compilation of state and local resources—camps and grief organizations **organized by state**, plus books and websites for children and their families experiencing loss.

The New York Life Foundation

(www.newyorklifefoundation.org) has long been focused on serving children in need. In 2008, the Foundation expanded that focus to include an initiative to help children deal with the loss of a parent, caregiver or sibling and to help parents deal with the emotional turmoil that results from the death of a close family member. We believe this comprehensive guide will provide the necessary resources and directory of services to help support grieving families in communities across the country. In addition, we've developed a bereavement website that can help—
www.AChildinGrief.com.

The Moyer Foundation

(moyerfoundation.org) is a public, 501(c)(3) non-profit organization with a mission to provide comfort, hope and healing to children and families affected by grief and addiction. Founded in 2000

by former MLB pitcher Jamie Moyer and child advocate Karen Phelps Moyer, The Moyer Foundation supports thousands of children and families each year through its free signature programs and services. Camp Erin® is the largest national bereavement program for children and teens grieving the death of someone significant in their lives and Camp Mariposa® is a national addiction prevention and mentoring program for youth impacted by a family member's substance use disorder. The Moyer Foundation Resource Center extends The Foundation's continuum of care by providing a curated set of online resources with personalized phone and email support for families experiencing grief, addiction and other related issues.
