CAMP ERIN® SERVES

Camp Erin is the largest national bereavement program for youth who are grieving the death of a significant person in their lives. Camp Erin is offered at no cost to families.

EXPANDING THE REACH

Traditionally, Camp Erin partners with grief organizations to offer bereavement camps where youth learn to grieve and heal. In 2022, we will expand our reach!

NEW PROGRAMMING

Camp Erin will launch their first-ever direct support programming! Camp Erin Online will include: Family Camps, Support Groups and Expression Activity Workshops.

HOW YOU CAN HELP

Do you know a family who would be interested in online grief support? Please share our information as we partner with you to strive to ensure no child grieves alone!
