Created by [Theravive](#)

Theravive is a network of licensed therapists and psychologists committed to helping people receive the best mental health care available. Through building bridges with others, they continually strive to lower mental health stigma.

Theravive a safe place to find a great counselor or psychologist. If you or someone you love could use the benefits of professional and caring therapy from a skilled professional, Theravive is there to help you quickly locate the one best for you. Searching is easy, and reaching out to make contact is just as simple. They have thousands of therapists ready to help, trained and specialized in every mental health issue. All you have to do is make the first step and simply contact one. Counseling for many people is one of the greatest choices they have made in tending to their emotional and mental well being.
