Sesame Street knows that children learn through play. In response to the Covid-19 pandemic, Sesame Street has expanded their online offerings including video tutorials for kids as well as resources for parents and guardians. Familiarity with the Sesame Street characters and format means that children are able to access some difficult conversations and new techniques with the comfort and ease.

How to talk to kids about Covid

Time to Wash your Hands
Caring for Ourselves, Caring for Others
Staying Well During a Health Emergency
Sesame Street in the Community Resources
