Natural High is a national 501(c)3 nonprofit organization inspiring youth to discover, amplify and pursue their natural high so they have a reason to say no to drugs and alcohol.

In 1994, Jon Sundt, had lost two brothers to addiction, he was determined to use his tragedy to affect change. He realized that simply shifting the way we speak to youth could dispel the myth around drugs and alcohol. He began traveling to schools with local celebrities and a slide projector at his side, hoping that his story could help save even one life.

Today, Natural High reaches over 8 million youth across the country. Jon never dreamed that the loss of his two brothers would lead to a nationwide movement inspiring a generation of young people who believe in saying yes to their passions and no to drugs and alcohol.
