Care Giver Action Network

The Caregiver Action Network is the nation's leading family caregiver organization working to improve the quality of life for the more than 90 million Americans who care for loved ones with chronic conditions, disabilities, disease, or the frailties of old age.

CAN serves a broad spectrum of family caregivers ranging from the parents of children with special needs, to the families and friends of wounded soldiers; from a young couple dealing with a diagnosis of MS, to adult children caring for parents with Alzheimer's disease.

CAN (formerly the National Family Caregivers Association) is a non-profit organization providing education, peer support, and resources to family caregivers across the country free of charge.

We CAN help you provide care from afar.
- I HAVE A JOB AND I'M THE CAREGIVER FOR MY LOVED ONE.**
"I'm what they call a 'sandwich generation' caregiver."
"I care for my mother with Alzheimer's in addition to my three children."
