The screenshot shows the NAMI Utah website interface. At the top left is the NAMI Utah logo. To the right is a search bar and social media icons for Facebook, Twitter, YouTube, Instagram, and a calendar icon. Below these is a navigation menu with links: Home, About Us, News & Events, Families & Caregivers, Peer Support, Take Action, Find Resources by County, and Login. The main banner features the text "NAMI Utah Provides Resources" and "Click to Explore Resources" over a background image of diverse people. Below the banner are three content blocks: "May is Mental Health Month" with a "Read More ..." button, "RPG Limit Break" with a "Read More ..." button, and "Contact Us" with the address "NAMI Utah, 1600 West 2200 South, Suite 202, West Valley City, UT 84119" and phone numbers, along with a "Read More ..." button. On the right side of the content area is a yellow "Get Involved" box with links for "Find Local Help", "Become a Member", "Donate Now", "Legislative Center", and "NAMI Events".

The National Alliance on Mental Illness mission is to ensure the dignity and improve the lives of those who live with mental illness and their families through support, education and advocacy. They provide education and resources on mental illness.

If children are old enough to love, they are old enough to grieve. NAMI Utah provides a directory of child peer support groups for ages 3-18.
