When hope seems out of reach,
Tamarack Grief Resource Center is there.

Founded in 2008, TGRC has become the Montana region's most comprehensive Grief Resource Center. During times of loss, individuals can benefit from connections with understanding others as they reconstruct their lives. Tamarack Grief Resource Center is dedicated to fostering this support and understanding throughout the grief process.

Tamarack Grief Resource Center is committed to offering grief camps and retreats in collaboration with area hospices and related organizations. With over two decades of experience designing and implementing therapeutic camps and over 50 grief camps and retreats under their belts, Tamarack is the region's most comprehensive grief resource center, specializing in bereavement camps and providing year-round grief support and education.

Mission: Tamarack Grief Resource Center strengthens and honors individuals, families and communities throughout their journey with grief.

Tamarack Grief Resource Center offers creative, active, meaningful gatherings for bereaved kids, teens, and adults in western Montana.
